The above-referenced documents are listed on PTO Form 1449. We have enclosed the cited documents to facilitate reference to them. In conformance with the waiver of the copy requirement in 37 C.F.R. §1.98 for cited U.S. patents issued on August 5, 2003, no copy of the foregoing U.S. patent is enclosed.

A copy of the English version of the International Search Report for the corresponding PCT application serial no. PCT/EP2005/000927 is also submitted herewith.

English abstracts of the European and German patent documents are provided herewith. Full English translations are not readily available. All of the listed publications are in English, except for the first three Pommersheim articles listed on PTO Form 1449 for which English translations are not readily available (the sixth listed Pommersheim article is in English).

Applicant is not aware of any other references to be identified at this time. If the Examiner has any questions or comments relating to the present application, he or she is respectfully invited to contact Applicant's attorney at the telephone number set forth below. If any additional fees are due, please charge our Deposit Account No. 502335. A duplicate copy of this document is enclosed for that purpose.

Respectfully submitted,
